## **Introduction**

I am looking forward to the new season ahead and note that this will be another three men's league season. We hope this will be better for all the clubs concerned.

### **Vice Chairman**

Jim Thomson has agreed to take on the role as Vice-Chairman following the departure of John Campbell. He was appointed to the position at the last executive meeting. Johnnie Walker has also returned to the fold and takes up the discipline officer and cadet co-ordinator roles.

### **Women's League**

The women's League is bigger and hopefully better proving that the women's game is on the up. There are still some concerns about opportunities for girls to play club basketball out with the national league. Perhaps some tournament basketball will fill the gap until more girls and women's coaches in particular are able to step up. The junior men's league has seen a bit of a slump but hopefully this is only temporary.

### **Communication**

Could I remind all secretaries to inform the League Co-ordinators of any changes to fixtures promptly and to telephone or text results as soon as possible after games to the results officer Stuart Holland plus follow this by sending score sheets promptly.

Please seek League Co-ordinator approval for all rearranged fixtures cancelled at short notice and circumstances that are likely to cause teams to try to claim game default points.

### **Floor Officials**

Refereeing is a developing concern and attracting new referees is a number one priority for the executive. Clubs are asked to take on a recruitment role here and it would be helpful if some suggestions were forthcoming on how to develop this critical area

### **Code of conduct**

Please make all players coaches and spectators aware of their responsibilities under this code and avoid bringing the sport into disrepute through out of control actions towards officials or other players.

Some new teams are joining the leagues this season and that is a positive sign let's welcome them with good sportsmanship and fair play.

Please be aware of rules and regulations. They have been put in place over many years with full club approval to ensure fairness and evenness to guide the executive in difficult decision situations.

Finally, may I wish all clubs a successful season and hope all fixtures are completed on time and in a great sporting spirit.

### **A. Turner**

Chairman  
SLBA
