11.4 Prior to playing the first competitive match of the season (league or cup), each club must submit a copy of the Official Team registration list(s) from Basketball Scotland to the relevant League Co-ordinator. If a club has more than one team at the same age level then individual team lists must be submitted at the same time.

11.5 If no team list is submitted before a team plays its first official league or cup game then the game shall be forfeit 20 – 0 by the offending team and a fine of £50 will apply. Failure to do so will result in another £50 fine plus suspension from the League & Cup competitions until the fine is paid. Clubs must also inform the relevant Competition Coordinator of every additional registered player throughout the season by sending through a copy of the official team registration list from Basketball Scotland. Failure to inform the Competition Coordinator of a new player(s) before said player(s) appears on an SLBA League or Cup scoresheet will incur a fine of £50 per player and forfeit of the game 20-0. There

will be no additional fine for the game forfeit above the player fine. There will be no appeal on this administrative fine unless a dated email with the Basketball Scotland team list attached can be supplied to prove that the club did inform the Competition Coordinator of the addition before the game started.

11.6 There will be no movement of players from one team to another other than by official transfer. Only one transfer per player per season will be allowed and both teams must agree to the transfer or seek arbitration in writing from the SLBA. 11.7 Senior aged players can only play for the Club they have been registered with at Basketball Scotland. In circumstances where the SLBA team does not have a National League team, a nominated player can play National League for an alternative Club and still play Division 1 for the nominating SLBA Club.

11.8 No player may play for more than one team in any one season in any SLBA Cup Competition.

11.9 No National League registered senior-aged players may play in the SLBA Robert Taft Cup.

12. Non-Arrival of teams

12.1 The FIBA ruling of allowing only 15mins after the T.O. time is accepted as the ruling. However, because of the nature of cross-city traffic etc. the decision to appeal to the league to claim the game in the event of late arrival shall be left to the discretion of the home Club. If it is felt that, any Club is abusing this flexibility the matter should be brought to the Executive Committee's attention and the offending Club will be warned of its conduct.

13. Disputes

13.1 Any team who agrees to start a game cannot later protest at something that was highlighted before the start of the game. If a Team agrees to play/not play a game under protest, the Captain will sign the score sheet followed by writing "under protest" on the score sheet. The team protesting will then send a report of the protest to the League Co-ordinator, as will the referee and the umpire, within three working days. Appendix 1.

Discipline & Appeals Procedure

Any incidents of alleged discipline transgressions should be reported by the match officials to either the League Secretary or the League Discipline Officer. On receipt of the report the matter will be considered by a discipline committee of no less than 3 members of the SLBA Executive committee, but excluding the Chairman, Vice-Chairman and Secretary, as to whether any further action should be taken. If the issue is routine, as most of them are, the matter will be left with the Discipline Committee to determine sanction. The outcome will be communicated to the club concerned as per the outlined process.

It is extremely important that the matter is not further discussed until such time as any appeal is heard or the time frame for such an appeal to be made has expired.

Should any appeal be received an appeal sub-group of three members will be convened by the Chairman. This group will consist of members who have no previous knowledge or information concerning the detail of the original discipline offence or the findings of the discipline sub-group. This group may also include persons from out with the SLBA Executive Committee.

Any member of the executive who does have knowledge of the original incident or following process and is asked to be involved in the appeal should disqualify themselves from this process immediately.
